Thanks Jim. I emailed and called the applicant to let them know we need to reschedule. Can you please let me know some days/times you are available to reschedule so that I can get a meeting scheduled asap?

Subject: Out this Morning

Hi Donna,

I wanted to let you know that my wife is ill this morning and I am going to be taking care of my boys. They have drop off school at 11:30 so I will be in the office after dropping them off around 11:45. This cuts directly into the time we have scheduled for Soitec this morning from 10-noon. We will need to re-schedule the meeting.

Thanks,

Jim
